SODA/MARBLESODA/MARBLESODIUM/MARBLESODE/
RICARDO GABINO CALLOUT

Ricardo Gabino, or rather known as Marble Soda, which has currently 26k followers on twitter, has shown racist and transphobic comments on his Facebook account, and recently many ex friends and couples have reached out to me, turning out he has groomed several minors. The ones I'm putting in the callout are the only ones who consented to make it public, the age range has been between 14-17 years old.

And take this with a grain of salt, but a close friend of his girlfriend reached out to me as well, and told me that she turned 18 this year, and they've been on a relationship for a year at the very least

I've been getting slowly more screenshots of his behavior, so I'll update this if I happen to get more anytime

CALLOUT FROM A MINOR WHO WAS HIS EX

So this touches very sensitive stuff!! This is a callout from 2018 of a minor whom he groomed but it shows the same behavior that MarbleSoda had to his friends who reached out to me and told me how he treated them. It was pretty much what you would expect from an abusive person: manipulation, laughing at them in their lowest points, and showing them some sort of compassion to regain their trust. I won't be showing captures of this because they decided to remain anonymous, but it's absolutely surprising (not really) how he pretends to do no wrong in public because he knows he would lose his living

Here's the folder with the translation of her callout:

<https://drive.google.com/drive/u/0/folders/1yxRPpIQM86r9iH20PGwIXMQJR9o5bdDF>

And if you want to see the original one:

HE GROOMED A MINOR WHEN THEY WERE 15 AND HE WAS 24

I managed to reach out another grooming victim, here's the captures:

<https://drive.google.com/drive/u/0/folders/1lkQ3grvLdpKfOO3GXg-TkHI6BY4bA0jE>

He also recently changed his twitter handle to @marblessodaa after being confronted, same thing when his ex made the callout, he erased his facebook account which was being exposed and ran away from it

HITTING/FLIRTING WITH MINORS

He was a creep towards a 15 years old by commenting how beautiful their legs were and asking for their number. The victim in question just had a few screenshots due to changing devices multiple times, but the ones that they provided are disgusting enough

https://drive.google.com/drive/u/0/folders/1eoE9L_AyfYIKo95m7_6qiEJYz9tw8Rps

GROOMED A 14 YEARS OLD WHEN HE WAS 19

From manipulation to love bombing and asking for nudes, and seems like it's impossible to be surprised, but he also sent thigh highs to the minor to get nudes. Just a warning that these screenshots are worse than the others and there's NSFW drawings as well, proceed with caution

Transphobia

This is a comment made after a trans person tried to take their own life

Ricardo Gabino

Me trying not to commit suicide
(I'm trans so it's hard)

**Get hospitalized for
a while for real, your
parents embarrass
me**

And this was under the person's post of being hospitalized after the attempt. The person in question decided not to show the entire post for personal reasons

He shared this trans visibility day post as a way of mocking and tagging a friend who laugh reacted at it, it's obvious this was just a joke for both

Felicidades means congratulations in spanish

no soy tu compañera soy

una disculpa, compañere

This meme is basically mocking people with neutral pronouns, there isn't any kind of personal neutral pronouns in Spanish so we've had to change a bit some words to accommodate, nonetheless it is received badly and there's a lot of NBphobia

“My accounts were blocked by hate speech, how odd”
He’s using sarcasm, of course

Not really transphobia, but he also makes fun of polyamory
SIDA means AIDS

Translation: "Trans men also menstruate"

Racism

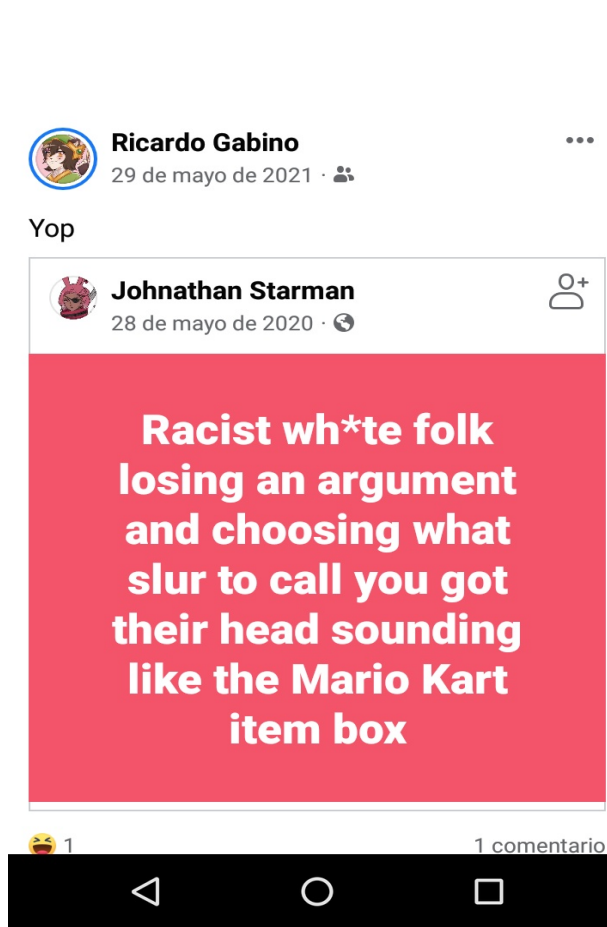

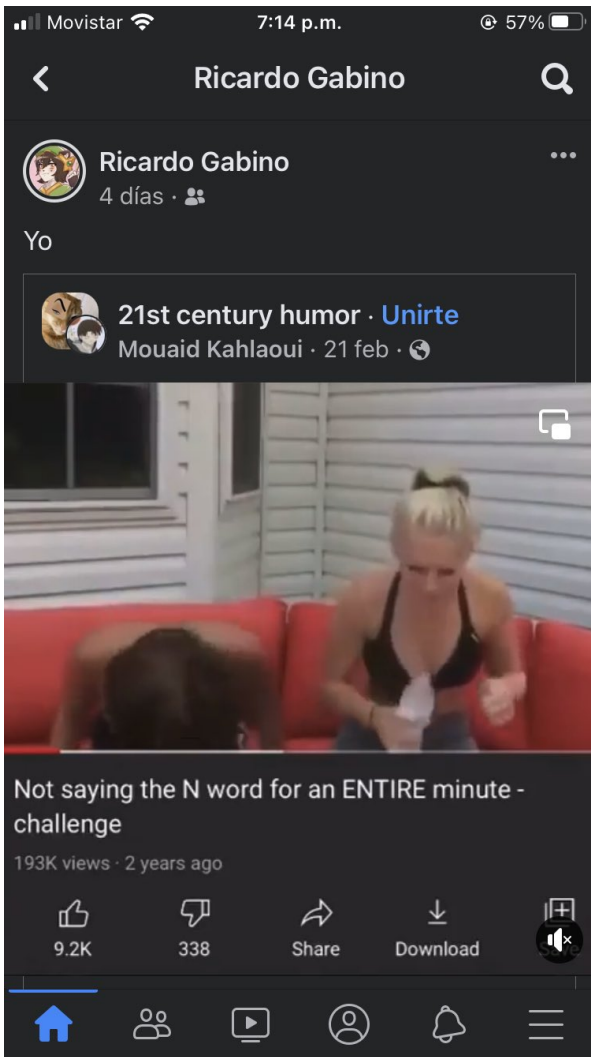

Translation: Why are you brown?

Post shared is basically asking why the peach color is called the skin color

He has been sharing jokes about saying the n word saying "me"

As if it wasn't enough, he mocks Gorge Floyd in very disgusting ways, such as having a video of him "dancing" right in front of his Facebook profile

https://www.facebook.com/stories/622932325588967/?source=story_tray

He along his couple (@Nipux21 on twitter) used FaceApp to combine their faces with Gorge Floyd as a way of mocking him with "I can't breathe" right in the comments

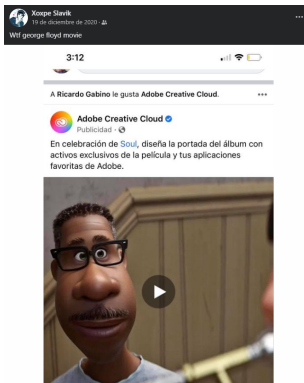

Posted this photo aswell on his secondary facebook account

Animal abuse

He also revealed in a chat “beating the shit” out of his cat and joking how it turned blue. There isn’t any graphic pictures but it’s upsetting to read, so proceed with caution

Bad collabing experience and scamming money/abusing friends

He made a collab with another artist who reached out to me and told me how he gave them an unfair payment, and proceeded to ask a big part of the money back because he needed it

More ex friends coming forward about how abusive MarbleSoda was, how he mocked them even after they gave him money

Please do not support Ricardo Gabino, Aka. Marblesoda / @Marblesodium / @marblesodda / @marblesoddaart

He is a proven racist, homophobic and transphobic artist from Mexico who faked being a girl in internet, groomed multiple underage girls, stole money and credit card info from them (the groomed girls), asked for donations but he was never in a hard spot, instead he stole money from my other minor artists friends in the community (more than 400usd each) , I had him on Facebook and have proof about all of this.

I understand that you may have already purchased one of his OCs, and will not question that. But he has bragged to me personally that he inflated his prices and called stupid whoever buys them... That was mainly the reason why I give my own for free.

He is also the reason why one of best friends closed her patreon, and stopped doing art, closed her accounts and hasn't posted art in 2 years. He made her draw things she didn't like out of pressure for collabs and then never gave her the credit for the collabs, saying he drew those commissions all by himself.

All that has been said about him is true, I can confirm first hand, I can translate anything you have doubts with, because I understand most of this is happening in Spanish.

But it's sadly true, he is not welcomed in this garden or in any of my platforms. (edited)

@everyone

I wish to not talk about what he has done to me, because it is mostly petty ego stuff, but I confirm that everything that has been going on and said is real.

And for the people that already have OCs from him, I know it's a hard hit. You didn't know and you are not at fault for using these characters. If you feel uncomfortable with using them, please remember they are your ocs not his. You can always take your time to get another ref done. I will not get mad at you for using our sending me these refs for a commission. I understand that you didn't know.

There's a lot of screenshots of only what he chooses to post on his Facebook, I'll leave them here on a drive folder because I can't make them fit properly on this document

"Apology"

This is a tweet he already deleted after being confronted, this isn't the words of someone who's sorry, he's trying to downplay it until everyone forgets about it or forgives him

Marble Soda

@marblesodaart

I am sorry for the transphobic, homophobic and racist comments I've made on personal accounts, I don't consider myself to be any of those, I guess it was "funny and edgy" to me for so long I never really thought it was a serious matter, won't happen again

8:23 PM · Apr 1, 2022 · Twitter Web App

This is NOT what someone who's truly ashamed and sorry would say

Literally telling someone trans that they don't care about transphobic comments? Or that I'm not calling out other people? He's trying real hard to deflect what he's done

Since the things being said about me are getting out of control and people is just straight up making shit about me, I can just say, not everything you see on the internet is true, I could go a long way and try to "fight it back" but I honestly don't have the energy to do so -

Replying to @marblessodaa

With people who don't even know me, I've gone through way worse shit before, people who simply won't move on with their life and keep on holding to their hatred and try to fuck me up, why haven't I said anything about them? Because I pity them, I moved on, I've searched for help

I've been treating myself with my psychologist for the last 4 years, there's no point in giving them my attention, I remain calm and in peace knowing who I am, and I know I'll overcome this obstacle like I have before

I'm not perfect and I've made mistakes, but I refuse to live the rest of my life feeling sorry for myself, you're hurting other people who don't even have to do anything with this, so while you think you're some kind of hero you're just causing pain to people who don't deserve it

Stop gaslighting your audience, why do you say it's made up then proceed to try and escape the situation, even deleting all your Facebook accounts to erase the evidence of you grooming minors between 14-17 years old, you've turned off all comments, you've locked your account, and you've disabled any way of commenting in your Furaffinity or Picarto. Stop running away because there's more evidence incoming
